Who We Are

Since 1984, Piedmont Columbus Regional's Northside Campus has been dedicated to providing exceptional community care. As a licensed 100-bed general acute care hospital, Northside specializes in orthopedic, spine, bariatrics, and general surgery services. The Northside Campus is proud to be a Comprehensive Bariatrics Center and Surgical Quality Partner. The hospital's commitment to delivering outstanding clinical quality is nationally recognized, and Northside prides itself on offering the highest levels of customer service.

The hospital's comprehensive range of services includes emergency care, spine treatment and surgery, knee and hip joint replacement, general surgery, bariatric surgery, robotic surgery, gynecological surgery, urology surgery, advanced reconstructive surgery, endoscopy, and inpatient dialysis.
