## Who We Are

As part of Piedmont, the largest not-for-profit health care provider in Georgia, Piedmont Macon offers expert care at two hospitals, two urgent care centers and an occupation medicine center in Macon. Having served Middle Georgia for more than 50 years, we take pride in the outstanding patient-centered care we provide, and our record of accomplishments speaks for itself.

Founded in 1971, Piedmont Macon Medical Center is a 310-bed facility providing 24-hour emergency rooms, inpatient and outpatient surgery options, maternity services and heart care. Additionally, the hospital has top-notch rehabilitation programs, oncology services, and behavioral health offerings. At Piedmont Macon, we are dedicated to improving the health of those in the communities we serve.

Piedmont Macon North Hospital is a 103-bed hospital located in North Macon. Highlighted by a robust emergency department and a strong and growing elective surgical program, we offer expertise in a variety of specialties, including bariatric and orthopedic care, spine care, gastric reflux disease, and kidney stone treatment. At Piedmont Macon North, we're committed to delivering innovative, expert healthcare with a compassionate touch that's close to home.
