Who We Are

Piedmont Newnan Hospital is a 217-bed, acute-care, community hospital in Newnan, Georgia. Piedmont Newnan is a cornerstone of wellness as the only acute-care facility in Coweta County. As a not-for-profit organization, hospital earnings go directly back into maintaining and improving services and facilities, and to educational outreach.

The hospital is a shining testament to our commitment to our community – a symbol of our promise to provide complete, compassionate care.
