Services

ONCOLOGY NURSE NAVIGATORS

Our certified oncology nurse navigators serve as a resource, acting as a liaison to enhance the quality and continuity of care and expedite appointments. Oncology nurse navigators' services are provided free of charge and include:

- Helping patients and their families understand treatment options and what their diagnosis means
- Assisting patients with accessing appointments and resources in the community
- Providing consultation to physicians and other healthcare providers regarding resources and services available to cancer patients
- Consulting with patients and their families to access and determine personal needs and concerns
- Pre- and post-op education including assistance with obtaining post-op supplies
- Maintaining communication with cancer patients to check progress through the course of their experience to help assure their needs are being met
- Educating patients about resources available to them

OTHER SERVICES

- Genetic testing
- Oncology nutrition consults
- Interdisciplinary tumor boards
- Surgery, including plastic and reconstructive
- Rehabilitation services by certified Lymphedema Therapist
- Second opinion visit

- Translation services are available (Please let the office know if you require a translator when you book your appointment)
- Access to national clinical research trials
